

All work and no play?  
London is calling..

The Inter-Pacific Bar Association and AIJA invite you to an evening of fun in London!

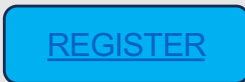

4 October, 2024, 18:30 – 21:30

IPBA's Next Generation Committee and AIJA are excited to host the 1st Glocal Meet in London! We invite all next generation, young and seasoned members to join us in an evening of fun, games, and networking! This is one event you won't want to miss!

## Shuffleboard !

Friends gathered around a long wooden gaming table at **Boom Battle Bar, 70-88 Oxford Street, London**, watching in awe as you slide your puck into the scoring zone and knock your team into the top spot! It's fast-paced, competitive and fun. Non-players can also get a drink, mingle, and enjoy the show!
