Advantages/Disadvantages

- What preconditions are favorable to undertake an out-of-court restructuring?
- What should companies be thinking about in terms of their options?
- What are the main advantages for companies that use an out-of-court debt restructuring mechanism? Conversely, are there any disadvantages when avoiding court processes?

Tools

- What are the factors that improve the potential for success in an out-of-court restructuring?
- What are the possibilities to avoid the involvement of the employees and hence speed up the restructuring process?

THE ONLY GLOBAL ASSOCIATION OF YOUNG LAWYERS

Tools

- Flexible measures (out-of-court): how to avoid dismissals (reductions of salaries, non-application of the CBA, reduction of the working time, suspension of contracts, restructuring of functions, etc.)
- Transfer of undertakings (TUPE): sale of a productive unit
- What out-of-court measures can be taken to eliminate the over-indebtedness of a company?

Hurdles

- What are some of the common pitfalls when managing negotiations with creditors?
- Collective dismissals (out of court)
- Drawbacks and advantages of a court proceeding.
